

TEGG®

From the desk of Scott Giacobbe

TEGG®
An ABM Company

September 30, 2016

What have you done lately to exceed expectations for your clients and coworkers? We encourage everyone to go that extra mile whether it be through communication for building relationships or improving your skills through training. We have perfected the TEGG systems and processes to help you exceed expectations in multiple areas of your work.

In our own effort to exceed expectations for the members of our network, we're working hard to *Amp It Up* at the 2017 Continuing Education Conference. Discover what's happening by [viewing the registration brochure](#) listing the event's best-in-class educational sessions, awards ceremonies and more. [Register](#) before **Monday, October 31, 2016, for a chance to win a \$500 Travel Voucher from Meetings Info MIM.**

TEGG contractors are invited to attend the following advanced technical training courses which will be offered January 23 - 26: **TEGG/ASNT Infrared Level II Certification, Airborne Ultrasonic Level I Certification, Power Quality Measurements and Analysis, or Ground Resistance Testing.** See pages 14-15 of the registration brochure for details.

See you in January!
