## Recap: Linc Service, TEGG Contractors Gather for Western NY, PA and OH Regional Summit

Nearly 20 [Linc Service](#) and [TEGG](#) contractors came together for [ABM Franchising Group's](#) Western NY, PA and OH Regional Summit at the Springhill Suites in Erie, Pa., on Sept. 13 and 14.

The two-day summit featured representatives from Linc Service franchises [H.E. Neumann Company](#), [Mazza Mechanical Services, Inc.](#) and [Reno Bros., Inc.](#), and TEGG franchises [Schultheis Electric](#), [O'Connell Electric Co.](#) and [Ferguson Electric Service Co., Inc.](#)

It also included representatives from several [ABM Building Solutions](#) offices, and representatives from ABM's various industry groups, including [Aviation](#), [Landscape & Grounds](#) and [Healthcare](#).

Led by Linc Service and TEGG Area Vice President Todd Greenlee, the summit included discussions to help contractors better understand the capabilities of Linc Service, TEGG and ABM partnerships across the regional network, recognizing opportunities for collaboration and partnerships, and the creation of an action plan to further build relationships and drive regional network development.

"The summit was a great success, and participants agreed to ongoing meetings and communication to identify and implement partnering opportunities," Greenlee said.
