

## Training Recap: Learning to Lead in Australia

More than a dozen leaders from Nilsen's Engineering Services in Australia began building the foundation for success during a two-day Leadership I training session on August 7-8 in Mulgrave, VIC, Australia.

Led by TEGG Area Vice President Brian Myers, Leadership I Training helps participants realize that in any organization, and at any career level, strong and stable leadership qualities will help set them apart from others in the industry.

With that in mind, TEGG University offers this great opportunity to strengthen employees' leadership qualities. The insightful, informative, and inspirational learning session introduces participants to leadership by using a proven leadership model as a framework, with realistic examples, activities, and role-plays from actual TEGG businesses.

The participants included:

- Brett Birthisel
- Chris Colbeck
- Garth Elliott
- Damien Fischer
- Glen Hall
- Nick Hart
- Greg Hodby
- Peter Holland
- Aaron Langfield
- Lou Lazzari
- Tom Legg
- Adrian Loffler
- Michael McCurrach
- Nat O'Donnell
- David Pulicino
- Grant Roberts

Leadership I Training (LM5003) will be offered December 5-6, 2018 at TEGG University's Pittsburgh campus.
