The 2018 Continuing Education Conference – There's an App for That!

Download the 2018 Continuing Education Conference Event App from your smartphone *before the conference begins* to obtain your event schedule, review speaker bios, get a sneak peek at the 70+ Industry Vendors participating in the 2018 Vendor Showcase and connect with others attending the event.

From your Apple or Android smartphone, **download the app here**.

From your Windows smartphone, access the event information through your web browser by clicking on **the HTML option here**.

Additional instructions and information related to the event app can be found **here**.

Check out the General Info section of the Event App for ground transportation options, how to filter the schedule by job category, and dining options in and around the Hyatt Regency Atlanta.
