

ABM Franchising Group and ABM Parking Services Team Up to Support the Miracle League of the South Hills

Several members of ABM Franchising Group and ABM Parking Services from Pittsburgh took to the baseball diamond to help the [Miracle League of the South Hills](#) provide a day of baseball for children and adults with special needs.

The event on May 22, brought elementary, middle and high school students from 17 southwestern Pennsylvania school districts to the Upper St. Clair Community Recreation Center. The participants took part in a variety of events, ranging from competitive and non-competitive baseball and softball games, to skills competitions like the softball throw and throwing softballs at targets.

“It was a remarkable day and we met some truly amazing people – the students, teachers and the people who run this great organization,” said Martin Keyser, ABM Franchising Group’s Senior Vice President of Franchise Operations. “I was proud to be a member of the ABM Cares team.”

ABM Franchising Group and ABM Parking Services participated as a part of ABMCares, which provides employees with opportunities to positively impact their communities by supporting charitable causes.
