March 2020

Field

Technical Sales Forums

You are invited to participate in TEGG's Technical Sales Forums, which will be held May 12 – 13 in Phoenix and October 6 – 7 in Pittsburgh. The forums will provide advanced technical sales training, interactive workshops and more. Contact your AVP for more information.

Sales

TEGG's Maintenance Sales Advocate

Introducing our new Maintenance Sales Advocate, [Fawn Allen](#)! Fawn will be working with maintenance sales reps to advise them on how to create success in their roles through application of the TEGG selling system.

Operations

"Recognizing the Evolution of an Arc Flash Study"

Chuck Fox, Principal of ASG Electric, was recently featured in EC&M discussing why it is so important for electrical professionals to understand that an arc flash study is a process, not a project. View the article [here](#).

Marketing

2020 Principals Meeting and All-Star Diamond Event

The 2020 Principals Meeting will be held April 1 – 4 and the All-Star Diamond Event will be held April 3 – 6 at the Hyatt Regency Lost Pines Resort, near Austin, Texas. Access the event website [here](#).

Technology &
Support
